The Oral tests in English (Science Wing) will be conducted online through the Zoom app on Saturday, 01-08-2020 between 02.30 pm and 05.30 pm. The Oral Tests will be conducted at two different time slots – from 02.30 pm to 03.30 pm and from 04.00 pm to 05.00 pm. To enable the concerned students (examinees) to join the Oral Tests on the Zoom app, eight links will be generated. Each link will permit only eight or seven examinees to join the Oral tests. The examinees for each link will be specified by their respective Roll Numbers. The examinees are instructed to click the appropriate link (i.e. the link designated to them) strictly five minutes before the commencement of the Oral Tests. They are further instructed to turn the video on all the time during the Oral Tests. The links will be posted on the whatsapp group one day before the Oral Tests i.e. on 31-07-2020 at 07.30 pm.

The format of the Oral Tests is as follows.

1. Textual Activity: (06 marks) The teacher will share a specific textual extract (from Tiger Hills or upon the West Minister Bridge) with the examinees on the screen. The examinees will study the extract and then answer the questions based on it orally.

2. Reading Skills: (04 marks) The teacher will share the screen and present an unseen extract to the examinees. The students will read the unseen extract loudly with proper stress and intonation.

3. Conversation Skills: (05 marks) The teacher will ask a couple of general questions to the examinees and the examinees will answer the questions and converse with the teacher.

4. Speaking Skills: (05 marks) The teacher will give a specific topic to the examinees and ask them to speak on that particular topic for a couple of minutes or the teacher may ask the examinees to speak on any topic of their own choice.
