

MES'S ABASAHEB GARWARE COLLEGE

PHYSICS ASSOCIATION 2020-21

Inaugural Function

Report

Department of Physics has organized an inaugural function of Physics Association and online lecture by Prof. Sanjay Dhole, Department of Physics, SPPU on 29 October, 2020 at 11.30 am. Prof. Sanjay Dhole was the chief guest for the program. Dr. Sunita Bhagwat, Head of the Department welcomed the Guest and had taken the review of departmental various activities. Principal Prof. P. B. Buchade formally inaugurated the program and guided the students. The program was attended by nearly 150 students from undergraduate and post graduate section.

Guest speaker delivered a lecture on “**Nuclear Energy for the Society: Future Challenges and Projections**”. The lecture was mainly based on need of nuclear energy and various facets of nuclear energy like nuclear fission, nuclear fusion and nuclear waste management. Guest speaker also talked about “India’s Three Stage Nuclear Program”. During question answer session students asked different questions related to nuclear energy and career in nuclear energy. It is hope that this lecture must have enriched students’ knowledge about various aspects of nuclear energy.

The whole program was led by TYBSc students under the guidance of Physics Association In-Charge, Shri. P.R. Dusane.
