## Minutes of IQAC meetings

Date: 11<sup>th</sup> November 2022: Venue: AV Hall: Time: 3 to 4.30 pm: Present members- 15

Item No.	Resolution	Action Taken
<b>Item No.1:</b> Regarding Confirmation of minutes held on 19 <sup>th</sup> August 2022	The minutes of the meeting held on 19 <sup>th</sup> August 2022 were read and confirmed	As per the discussion in last meeting regarding the best practice of awareness of segregation wet waste and dry waste collection activity to be initiated in various housing society's, NSS and green audit committee is given the task and already groups of students are made and soon they will be visiting societies nearby to create awareness regarding waste disposal Minutes were read and confirmed
<b>Item No.2:</b> Regarding report to be submitted to UGC on autonomy	It was resolved that as per UGC norms, three members should be included as a part of IQAC which will work as external peer team. Approval was given from IQAC for appointing peer team.	The names of the external peer members will be finalised in the CAC
<b>Item No.3:</b> Regarding Information on admission and evaluation process under autonomy	An overview of BA, BSc, MA and M.Sc. admissions was presented One external reviewer was appointed for paper setting Two observers were appointed for the practical exams Discussion about the new course on M. Sc. Nanoscience and M. Sc. Data science course to be initiated in next academic year took place <b>Resolution: It was resolved to uphold the suggestions of IQAC and external reviewer for paper setting and two observers for laboratories may be appointed and they should also give their feedback.</b>	The External reviewer for paper setting and observers for laboratories were appointed and the smooth conduction of exams took place. The feedback was satisfactory. Both the courses were presented before the Academic Council and approved with some suggestions in syllabi and has been uploaded to the SPPU portal.

	It was also resolved that both the courses, M. Sc. Nanoscience and M. Sc. Data science are approved and were recommended for the approval of Academic Council	
Item No.4: Regarding any other item with permission of chair	<p>Dr. A.P. Kulkarni insisted that now we should shift from 48 min lectures to 60 min lectures for 1 credit. Also, as now NEP will be implemented, we should shift our focus towards interdisciplinary approach</p> <p><b>Resolution: It was resolved that, one of the IQAC members will be given the task of calculation of workload due to shift from 48 minutes to 60 minutes lecture and also to accommodate interdisciplinary approach for the implementation of NEP</b></p>	<p>Work in this regard is almost complete and the work load will be submitted to the JD, HE, office.</p> <p>The work of preparation of various baskets is in progress and soon it will be finalized in the scheduled BOS and Academic Council meeting</p>
