

## Post Graduate Entrance Examinations 2024-25

MES Abasaheb Garware College (Autonomous) will be conducting on line entrance examination for admissions to M.Sc. (Chemistry, Computer Science, Computer Application, Biodiversity, Biotechnology) for the academic year 2024-25. Students desirous to take the admission for following MSc Part I courses, must appear for the Entrance examination. However, appearing for entrance examination does not confirm the admission.

The students will be admitted to the below mentioned courses strictly on the basis of the merit of Entrance examination and as per the reservation norms of Government of Maharashtra and Savitribai Phule Pune.

Merit list of each course will be published on college website within five days after examination.

Processing fee: For **open category: Rs 550/- (Including 18% GST)**

**For Reserve category Rs. 450/-- (Including 18% GST)**

Candidates please note that bank charges are extra than the above charges and they will vary as per the selection of payment gateway.
