Report

A guest lecture on Personality Development was successfully organized by The Counselling and Personality Development Committee on Thursday 13th March 2025 at AV Hall. Dr. Rakesh More, the committee in charge, played a key role in organizing and facilitating the event, ensuring its success for the benefit of our students. The event aimed to provide insights into the importance of personality development for professional and personal growth.

Guest speaker was introduced to students & faculty members highlighting her professional background and expertise in the aviation sector. Guest Speaker Ms. Ananya Gaikwad was felicitated by Vice Principal Dr. Aparna Agashe. The speaker shared her journey emphasizing the significance of professional grooming, confidence, and effective communication skills. She elaborated on the rigorous training required in aviation, from soft skills to crisis management, and how these aspects shape an individual's overall personality.

The event concluded with a vote of thanks delivered by Mr Krishna Masalkar, expressing gratitude to the guest speaker for her valuable insights.

Overall, the guest lecture provided an engaging experience, shedding light on the relevance of personality development in professional success.
