Memorandum of Understanding

This Memorandum of Understanding is made on this 13th day of September month of the year 2024.

BY AND BETWEEN

Dabake Trust, an institution registered under the Bombay Trust Act 1950 and having its Office at Pune, represented through its Trustees; Mr. Arvind Paranjape, age: - 67 adult, Occ- Consultant (hereinafter referred to as “**Donor/said Trust**”, which expression shall, unless it be repugnant to the context or meaning thereof, be deemed to mean and include its administrators and permitted assigns)

AND

MES's Abasaheb Garware College, a premier autonomous college of Maharashtra Education Society, located at Karve Road, Pune 411004, represented through its **Principal** Dr. Vilas Ramchandra Ugale, age: - 51 adult, Occ- Service (hereinafter called “**MES AGC/said College**” which expression shall unless it be repugnant to the context or meaning thereof be deemed to mean and include its administrators and permitted assigns)

WHEREAS

1. “**MES's Abasaheb Garware College**” is an autonomous NAAC Re-accredited ‘A’ Grade college offering courses in the streams of **Arts and Science** in the city of Pune and has been conferred the “Best College” Award by Savitribai Phule Pune University.
2. **MES AGC** also runs **post graduate courses** in the field of **Material Sciences** (Physics, Chemistry and Electronic Science) and **Life Sciences** (Biotechnology, Biodiversity and Microbiology).
3. The purpose of this MOU is that the said Trust is desirous to give donation/grant to deserving post graduate student(s) of Material Sciences and to deserving post graduate student(s) of Biological Sciences of MES AGC and MES AGC is ready to accept the grant/donation from the said Trust.

NOW THEREFORE, IT IS HEREBY AGREED BETWEEN THE PARTIES AS FOLLOWS:

1. **Terms of MOU**- This MOU is effective on the date mentioned herein above and shall remain in full force and effect for **not longer than 3 years** from the date of its execution. This MOU may be terminated after reviewing the usefulness of this grant by both the parties with mutual consent.

2. **Purpose of MOU-** The said Trust has offered to grant to deserving post graduate student(s) of **Material Sciences** and to deserving post graduate student(s) of **Life/Bio Sciences** of MES AGC. The Principal of MES AGC or his representative will ask for applications from the students of aforementioned post graduate departments who wish to avail this grant.

3. **Roles and Responsibilities of MES AGC-**

- a) In order to disburse the amount of grant/funds, MES AGC will appoint a "screening committee" and conduct screening procedure for selecting the deserving candidates from the above-referred departments. This screening committee shall consist of representative(s) of 'Dabake Trust', representative(s) of MES AGC and subject experts.
- b) It shall be the responsibility of MES AGC to disburse the amount of grant to the candidates selected by the screening committee.
- c) If in case, the screening committee is unable to decide on a suitable research project entitled to receive grant, then under these circumstances, the grant given by the said Trust shall be utilised by MES AGC for the purpose of development of post-graduate departments or for any expenses other than consumables.
- d) The right of distribution of the funds and monitoring of the expenditure shall be the responsibility of the Principal, AGC or his authorized representatives.

4. **Roles and Responsibilities of Dabake Trust-**

- a) Dabake Trust shall provide grant of Rs.50,000/- (Rupees fifty thousand only) and Rs. 10,000/- (Rupees ten thousand only for administrative expenses, such as honorarium to examiners) for a period of one year to conduct research projects in the aforementioned post graduate departments of MES AGC.
- b) Dabake Trust promises to keep this support for 3 years from the date of execution of this MOU and after the review of both the parties.
- c) In case of deserving projects and as per the recommendation of the screening committee, Dabake Trust may increase the amount of grant and period of the research.
- d) Dabake Trust shall disburse the amount of grant to MES AGC after the report/result of the screening committee.

- e) The trustees of Dabake Trust feel that, such a selected research project, after its completion should be sent for competition on various platforms like; University level, State level and even National level. MES AGC should encourage such projects to be showcased on various platforms.
- f) The trustees of Dabake Trust feel that post graduate students of science department should be encouraged to take up research projects which are directly contributing to the betterment of the environment, development of user-friendly technology making the life easier of human kind in our country with low cost and innovative solutions.
- g) Mr. Vasudeo Kshirsagar will work as a Coordinator for this activity on behalf of Dabake Trust.

5. General Clauses-

- a) This MOU shall not be construed as creating any contractual relationship of that as a Principal and agent etc., between the parties hereof except that of the Donor and MES AGC as Donee.
- b) This MOU constitutes the entire understanding of the Parties with respect to the subject matter contained herein and supersedes all prior discussions and understanding between the Parties concerning such subject matter, whether written or oral.
- c) Amendment- Either party may request changes to this MOU. Any changes, modifications, revisions or amendments to this MOU which are mutually agreed upon by and between the parties to this MOU shall be incorporated by written instrument and effective when executed and signed by all parties to this MOU.
- d) There will be a review at the end of the 3-year period after which decision will be taken with respect to continuation of the grant with mutual consent of the parties.
- e) If any dispute arises between the parties to this MOU regarding the construction, interpretation and enforcement of the rights and responsibilities of the parties to this MOU or failure, negligence of the parties to perform any term or condition of this MOU or to bring an action for breach of this MOU, then the laws of the land shall be applicable and the courts at Pune shall have jurisdiction to try the matter(s) connected therewith.

- f) Severability- Should any portion of this MOU be judicially determined to be illegal or unenforceable the remainder of the MOU shall continue in full force and effect and either party may renegotiate the terms affected by the severance.

IN WITNESS WHEREOF THIS MOU HAS BEEN EXECUTED BY THE HANDS OF THE DULY AUTHORIZED REPRESENTATIVES OF THE PARTIES ON THE DAY MONTH AND YEAR FIRST ABOVE WRITTEN:

Letter of Understanding (LoU)

This Letter of Understanding (LoU) is entered into on this date 5th August 2024 at Hyderabad.

BETWEEN

Research and Extension Association for Conservation Horticulture and Agroforestry (REACHA), having its Registered Office at 177-178, 2nd Floor, Triveni Apartments, Jhilmil Colony, Delhi, India 110095, (hereinafter referred to as **REACHA** or the **First Party**) which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successor, administrators, legal representatives and executors assigns of the First Part

AND

MES Abasaheb Garware College, Karve Rd, Pune, Maharashtra 411004, India(hereinafter referred to as **MES Abasaheb Garware College** or the **Second Party**) which expression shall, unless repugnant to the context or meaning thereof, be deemed to mean and include its successor, administrators, legal representatives and executors assigns of the Second Part

REACHA and Loyola Academy Degree and PG Collégeshall individually be referred to as "**Party**" and collectively as "**Parties**".

Recitals

- I. Whereas, IBM SkillsBuild represented by its country partner for India – REACHA, is a skill building & learning digital platform where users can achieve industry relevant skills, get IBM certificates and certified badges & seek employment opportunities. This would be applicable based on assessment by REACHA.
- II. Whereas **MES Abasaheb Garware College** (Second Party) is keen to introduce IBM SkillsBuild for students of the Second Party.
- III. Whereas the First Party wants to collaborate with specialized agencies/institutions to achieve industry relevant skills required under the IBM SkillsBuild Project.
- IV. Whereas the Second Party have shown interest in providing desired skills by the First Party for implementation of the IBM SkillsBuild Project.

- V. Whereas, at the suggestion of Second Party, the First Party has agreed to collaborate with Second Party for availing their expertise for SkillsBuild Project for various activities as listed hereinafter.

Therefore, the Parties agree to collaborate for the Project in respect of activities and on terms and conditions given in succeeding para in this Letter of Understanding (LoU). It is reiterated that this LoU is only an expression of interest to collaborate for the Project and neither Party shall have any rights or obligations with respect to each other besides the activities listed below in this LoU.

The Project aims to inculcate requisite knowledge, experience, and skills amongst students. As per UGC Guidelines of December 2022, for Fostering Social Responsibility & Community Engagement in Higher Education Institutions (HEIs) in India, Institutions should prioritize social responsibility and community engagement in their mission and operations (refer to *Guidelines for Fostering Social Responsibility and Community Engagement in Higher Education Institutions in India 2.0*). It calls for integration of community engagement into graduation requirements, assessments, and performance evaluations while offering suggestions for different forms of community engagement. The Guidelines further suggest forms of community engagement which may include linking learning with community service, linking research with community knowledge and knowledge sharing, and knowledge mobilization. Furthermore, as per the Guidelines for performance assessments of teachers, administrators in HEIs should include the view of their involvement and contributions to community engagement in teaching and research. Criteria of and weightage to community engagement by teachers and researchers should be explicitly included in assessments for recruitment, regularization, and promotion.

One of the major objectives of the Project offered by IBM and implemented by REACHA is to facilitate colleges in achieving all of the above-desired goals.

Objectives

1. The objective of this LoU is to mutually complement Parties' energies, outreach, and efforts to curate opportunities of collaboration, sharing of knowledge resources and jointly work on building capacities of the users through the IBM SkillsBuild Platform.
2. Parties will enable IBM SkillsBuild for 1000 students from MES Abasaheb Garware College of Arts and Science through facilitation and guidance with prime focus in the state where the Second Party is located.
3. The identified students would be encouraged to take up and complete courses on IBM SkillsBuild platform by the Parties. The Second Party must ensure a minimum of 80% attendance as active learning (8-10 hours of dedicated learning and course completion under Project Based Learning as defined by IBM SkillsBuild) per month of onboarded learners.
4. Relevant Faculty Development initiatives may also be taken up for the benefit of the staff of the Second Party by the First Party.

Duration

This LoU is valid from 5th August, 2024, up to three years from the date of signing subject to active IBM – REACHA (First Party) Memorandum of Understanding (MoU) / Agreement during that period, on a year-on-year basis, under which First Party is able to provide these benefits of 21st century skills for youth / students of Second Party.

Operational Aspects

Parties will work closely with their teams to leverage their student/learner base and other important stakeholders to build industry relevant skillsets & enhance employability prospects of students/ learners by providing market-linked skills. First Party will facilitate the on-boarding of learners (students) on the platform with assistance and in collaboration with Second Party and encourage students to leverage the platform for better learning opportunities.

The focus would be to bring in 21st century skills like - Artificial Intelligence, Cybersecurity, Job Readiness Skills, Digital Marketing, Effective Communication, etc. as offered by IBM SkillsBuild, to the students, which can help them to learn skills that are needed in the market, and can help them to get ready to access job and entrepreneurship opportunities in the market.

The Second Party must ensure a minimum of 80% attendance as active learning (8-10 hours of dedicated learning and course completion under Project Based Learning (PBL) as defined by IBM SkillsBuild) on IBM SkillsBuild platform per user per month through participation in innovation camps and other learning activities.

The Second Party shall provide the required facilitation for access to employability for eligible and meritorious students as part of this IBM SkillsBuild Project.

The Second Party shall nominate a Single Point of Contact (SPOC)/ Volunteer faculty to act as facilitator between students and REACHA Digital Success Manager/team. The SPOC can be provided with "Letter of Appreciation", from the First Party based on performance during the Project.

The Second Party must provide/facilitate the necessary infrastructure (High-Speed Internet Connectivity, computers/smartphones, projector/ screen, Mic and sound system, classroom/ auditorium) during sessions conducted by First Party.

The Second Party shall provide Student Volunteers for the coordination and smooth execution of the Project. These Student Volunteers can be provided with "Letter of Appreciation" from the First Party based on their performance during the Project.

The First Party may provide the Second Party with the opportunity to explore additional permitted offerings deemed relevant to enrich the learning experience and skill building opportunities for the Second Party subject to the terms and conditions of the IBM Memorandum of Understanding (MoU)/Agreement

with the First Party on a year-on-year basis and compliance to applicable IBM policies, rules, and regulations.

In order to maintain the desired level of social media outreach, each Party promises to follow the guidelines for social media amplification sent as a part of the communication package as per IBM norms/approved by IBM on case-to-case basis. With respect to the social media outreach, each Party will also appoint an appropriate person(s) to represent the organization.

Termination and Extension of LoU

In the event of non-compliance or breach of terms by any one of the Parties of the obligations binding upon it, the other Party may terminate the LoU with immediate effect by a simple notice in writing without assigning any reason, whatsoever.

This LoU can be extended further as per the mutual consent between the parties in writing.

Financial Aspects and Conflict of Interest

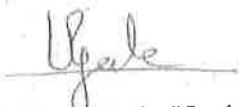

This LoU has no financial implications for the Parties with respect to each other or to any other party. Parties shall ensure there is no conflict of interest during the delivery of the Project.

In the event of any dispute, controversy, or differences arising out of or relating to this LoU, the Parties agree to resolve the matter amicably through mutual discussion in the spirit of partnership.

The First Party shall be represented by Shri Nikhil Pant, Chairman & Chief Executive Officer, on behalf of REACHA. The Second Party shall be represented by Dr. Manisha Bharambe of MES Abasaheb Garware College. They or their representative will sign communications and take decisions in respect of matters covered under the LoU and it will be binding to their respective organizations.

The terms and provisions in this LoU also apply to any subsequent Addendum to this LoU.

IN WITNESS WHEREOF, the Parties hereto have executed this LoU on the day 5th August, 2024.

Non-Disclosure Agreement

This Non-Disclosure Agreement ("Agreement") is made and effective this 7th day of March, 2022:

FUJITSU CONSULTING INDIA PVT. LTD., a company incorporated under the provisions of the Companies Act, 1956 and having its registered office located at A-106, LGE, Dayanand Colony, Lajpat Nagar-IV, New Delhi, Pin - 110024, and place of business located at Pune hereinafter referred to as "FCI";

AND

MES Abasheeb Garware College, having its office at Pune, hereinafter referred to as "Recipient";

In the course of this Agreement both the parties to the Agreement mentioned above have been individually referred to as "Party" and jointly as "Parties".

This Agreement shall be effective from the date of first disclosure of the Confidential information or the date of this Agreement mentioned herein below, whichever occurs first ("Effective Date").

WHEREAS, the parties intend to engage in discussions and negotiations concerning the possible establishment of a business relationship between them.

In the course of such discussions and negotiations and in the course of any such business relationship, FCI shall disclose or deliver to the other party certain of its trade secrets or confidential or proprietary information for the purposes of enabling the other party to evaluate the feasibility of such business relationship and to perform its obligations and exercise its rights under any such business relationship that is agreed to between the parties (the "Relationship"). Therefore, the parties agree that this Agreement will govern the parties' respective obligations regarding such information.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the parties, each intending to be legally bound, agree as follows:

TERMS AND CONDITIONS

1) DEFINITIONS

- a) The term "Confidential Information" means any business and/or technical information written or oral relating to FCI's business affairs or technology including but not limited to, its business operations and methodologies. "Confidential Information" shall include, without limitation, computer programs, specifications, manuals, designs, inventions, marketing plans, business opportunities, forecasts, customer names, personal data of employees or other individuals, other technical, scientific, financial, business and marketing information, and other information of a non-public nature that is known or used by a party or its Affiliates (as such term is hereinafter defined). Confidential Information also includes all information (including records, notes, analyses, models and studies) that is derived from inspection or evaluation of FCI's Confidential Information ("Derivative Information") and information, whether disclosed in writing or orally, which, under all of the circumstances, should reasonably be treated as confidential. For the purposes of this Agreement, Fujitsu Consulting's proprietary tools and methodologies, including MacroScope® shall be deemed Confidential Information.
- b) "Affiliate" means and includes companies/entities that control or are controlled by, or are under common ownership or control of a Party to this Agreement

2) OBLIGATIONS OF RECIPIENT

With respect to the Confidential Information provided under this Agreement, the Recipient and its Affiliates and their principals, directors, officers, representatives, employees, agents and any consultants working with the Recipient on this matter, shall:

- a) hold the Confidential Information in strict confidence applying the same degree of care that it applies to its own proprietary or confidential information of like importance, but in any case using no less than a reasonable degree of care;
- b) not use the Confidential Information disclosed or made available by FCI for any purpose whatsoever, except (and only) to the extent necessary in connection with the Relationship for which the Confidential Information was disclosed.

Non-Disclosure Agreement

- c) disclose the Confidential Information disclosed or made available to it by FCI only to those of its directors, officers, employees and agents (including the Recipient's professional advisers who have by their profession a duty of confidence or who agree in writing to hold the Confidential Information in confidence on substantially similar terms to the obligations of confidence under this Agreement) (collectively, the "Personnel") having a manifest need to know such Confidential Information and shall take all reasonable precautions to ensure that its Personnel comply with this section 2.
- d) restrict disclosure of the Confidential Information strictly to those persons with a "need to know" basis. The Recipient shall ensure that such persons are made aware of the restrictions contained herein regarding use of Confidential Information and are bound by confidentiality agreement with the Recipient in terms similar to those in this Agreement;
- e) not copy, reproduce or modify any Confidential Information without the prior written consent of FCI.
- f) comply with all applicable laws while dealing with the Confidential Information including but not limited to all applicable regulations of the U.S. Department of Commerce Office of Export Administration and/or such other agencies and Data Protection Law.
- g) ensure compliance of all information security requirements of FCI applicable to its engagement if working on FCI premises as well as onsite premises;
- h) not use the Confidential Information of FCI, in whole or in part, to compete with FCI or otherwise in detriment to the interests of FCI
- i) Not, directly or indirectly, do anything, including reverse engineering, that is intended to reveal the source code of any software included in the Confidential Information as disclosed by FCI.

3) EXCEPTIONS TO OBLIGATIONS OF CONFIDENTIALITY

The Recipient's obligations to maintain the confidentiality shall not apply to any Confidential Information that as shown by appropriate evidence: (i) was already in its possession at the time of disclosure or when made available and without restriction as to confidentiality, (ii) at the time of disclosure or when made available is already generally available to the public or after disclosure becomes generally available to the public through no breach of agreement or other wrongful act by the Recipient, (iii) has been received from a third party without restriction on disclosure and without breach of agreement or other wrongful act, (iv) is independently developed by the Recipient without benefit or use of the Confidential Information, (v) is required to be disclosed by law, regulation or order of a court of competent jurisdiction or other governmental authority, to the extent of such required disclosure, provided that the Recipient shall furnish prompt written notice of such required disclosure and reasonably cooperate with the FCI, at FCI's cost and expense, in its lawful attempts to seek a protective order or other appropriate protection of its Confidential Information, or (vi) is approved for release upon the prior written permission of FCI. The burden of proving that information is not Confidential Information shall be on the Recipient.

4) NO FURTHER OBLIGATIONS

The furnishing of the Confidential Information hereunder shall not obligate either party to enter into any further agreement or negotiation with the other for any proposed business transaction or to refrain either of the parties from entering into an agreement with any other party. Until a written definitive agreement has been executed and delivered, neither party will have any liability to the other party with respect to any proposed business or vendor relationship, whether by virtue of this Agreement or by any other written or oral expression with respect to the discussions between the parties.

5) REMEDIES

Recipient acknowledges that FCI will have no adequate remedy at law if it violates any of the provisions of this Agreement. Accordingly, FCI shall have the right, in addition to any other rights and

remedies it may have, at law, in equity or otherwise, to seek in any court of competent jurisdiction injunctive relief to restrain any breach or threatened breach hereof or otherwise to specifically enforce any of the provisions of this Agreement.

6) RETENTION OF RIGHTS

All materials and Confidential Information furnished under this agreement shall remain the sole property of FCI (or the third party from which FCI obtained such materials or Confidential Information) and no license or other rights to any materials or Confidential Information of FCI (or the third party from which FCI obtained such materials or Confidential Information) or any trademark, trade secret, patent, copyright or other proprietary right owned or controlled by it are acquired or obtained by the Recipient (whether by estoppel, implication or otherwise).

7) RETURN OF CONFIDENTIAL INFORMATION

Upon the written request of FCI, the Recipient shall cease using and promptly return to FCI all copies of any Confidential Information that reflect or embody Confidential Information disclosed including copies thereof then in the Recipient's possession or under the Recipient's control. Electronic copies that cannot be returned shall be completely erased and destroyed. Upon the written request of FCI, the Recipient shall certify in writing that the Recipient has complied with the obligations set forth in this paragraph.

8) NO WARRANTY

The Confidential Information disclosed hereunder is provided "as is" and FCI makes no representation or warranty express or implied as to the accuracy, completeness, merchantability or fitness for any purpose. FCI shall not have any liability or responsibility for use or any errors or omissions in any Confidential Information disclosed under this Agreement.

9) TERM OF AGREEMENT

This Agreement shall apply to all disclosures between, or Confidential Information made available by FCI in connection with any Relationship during the period commencing on the Effective Date and continue for five (5) years thereafter unless terminated earlier. Either party may terminate this Agreement, with or without cause, upon delivery of 30 days prior written notice of termination to the other party. Notwithstanding the earlier termination or expiry of the Term of this Agreement, the obligations of confidentiality accruing under this Agreement with respect to Confidential Information shall survive for the maximum period provided under applicable law.

10) ENTIRE AGREEMENT

This Agreement contains the entire understanding and agreement of the parties relating to the subject matter hereof and supersedes all prior and future agreements or understandings, written or oral, between the parties with respect thereto. This Agreement shall be binding upon the parties, their respective successors and assigns. No provision of this Agreement may be altered, waived or modified except in a writing signed by a corporate officer of each party. No custom or course of dealing shall modify this Agreement. If any provision of this Agreement is held to be unenforceable, such unenforceable part shall be deemed modified or eliminated to the extent necessary to make the remaining parts enforceable. Any waiver of a default in performance hereunder shall be deemed a waiver of the particular instance only and shall not be deemed consent to continuing default.

11) JURISDICTION AND GOVERNING LAW

This Agreement, including the performance and enforceability hereof, will be governed by and construed in accordance with the substantive and procedural laws of India. Each party hereby submits itself for the sole purpose of this Agreement and any controversy arising hereunder to the exclusive jurisdiction of the courts and forums located in Pune and any courts of appeal therefrom, and waives any objection (on the grounds of lack of jurisdiction, forum non conveniens or otherwise) to the exercise of such jurisdiction over it by any such courts or forums.

12) VISITATION

If any employees, agents or consultants of the Recipient visit the facilities of FCI in connection with the scope of this Agreement, the obligations under this Agreement shall extend to any and all information acquired by or ascertainable by the Recipient incident to such visit whether or not notified as such.

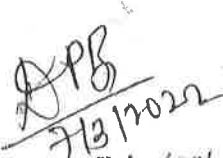

13) BREACH NOTIFICATION

The Recipient shall notify FCI at the above mentioned address immediately upon discovery of any unauthorized use or disclosure of the Confidential Information and assist FCI in retaining or regaining possession of the Confidential Information and to prevent its further unauthorized use or disclosure.

14) COUNTERPARTS

This Agreement may be signed in one or more counterparts (including faxed/e-mail copies), each of which will be deemed one and the same original. Reproductions of this executed original (with reproduced signatures) will be deemed to be original counterparts of this Agreement.

The Parties have caused their respective duly authorized representatives to execute and deliver this Agreement on the later date mentioned herein below:

Memorandum of Understanding (MoU)

Service Company

Zillionlink Private Limited.

MCII - Invention innovation Incubation , Hingane Home Colony,

Karve Nagar, Pune, Maharashtra 411052.

Founder : Gajanan C. Kulkarni

&

Academic Institute

MES Abasaheb Garware College (Autonomous) ,

Department of Electronic Science,

Karve Rd, Pune, 411 004, Maharashtra.

Principal : Prof. Vilas R. Ugale

1. Purpose

This Memorandum of Understanding (MoU) is entered into by and between Zillionlink Private Limited, located and Department of Electronic Science, MES Abasaheb Garware College (Autonomous), Pune for the purpose of establishing a collaborative partnership to promote academic, research, and professional development activities in the field of electronic manufacturing services.

2. Objectives

The objectives of this MoU are to:

- Enhance academic and research opportunities for students and faculty.
- Promote knowledge sharing and technical expertise.
- Foster innovation and development in the electronic service industry.
- Provide industry exposure and practical experience to students.
- Develop joint research projects and publications.

3. Areas of Collaboration

The parties agree to collaborate in the following areas:

- **Internship and Training Programs:** Providing opportunities for students to gain practical experience through internships and training programs at Electronic manufacturing & Service companies.
- **Guest Lectures and Workshops:** Organizing guest lectures, workshops, and seminars by industry experts to enhance the academic curriculum.
- **Research and Development:** Undertaking joint research projects, including the development of new technologies and methodologies in the field of electronic services.
- **Curriculum Development:** Assisting in the development and review of academic curricula to ensure alignment with industry standards and requirements.
- **Scholarships and Awards:** Establishing scholarships and awards to recognize and support outstanding students.

4. Responsibilities of Zillionlink Private Limited

Zillionlink Private Limited agrees to:

- Provide internships , placements and training opportunities for students.
- Facilitate guest lectures, workshops, and seminars by industry professionals.
- Support joint research projects with necessary resources and technical expertise.
- Collaborate in the development of academic curricula.
- Conduct Faculty Development Programs and initiate industry exposure mechanism for faculties
- Offer scholarships and awards to deserving students.
- Lab development (PCB Design & Assembly)
- The company shall provide the interns with work/project which will be related to the syllabus and which will enhance the subject knowledge of the students/intern.

5. Responsibilities of Abasaheb Garware College

Abasaheb Garware College agrees to:

- Identify and recommend students for internships and training programs.
- Organize guest lectures, workshops, and seminars in collaboration with Zillionlink Private Limited
- Participate in joint research projects and publications.
- Conduct & promote faculty development programs.
- Review and update academic curricula in consultation with Zillionlink Private Limited.
- Promote the availability of scholarships and awards to students.

6. Duration and Termination

This MoU shall be effective from the date of signing and will remain in force for a period of two years. It may be renewed or amended by mutual written agreement of both parties. Either party may terminate this MoU by providing 02 months' written notice to the other party.

Even if the MOU is terminated by either part, the same shall not affect the ongoing internship program of the students of MES AGC. The said Company shall impart necessary training/knowledge to the interns and also provide feedback to college about the progress of the interns and related inputs.

7. Confidentiality

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this collaboration and to use such information solely for the purposes outlined in this MoU.

8. Miscellaneous

This MoU is not legally binding and does not create any legal obligations or liabilities for either party. Any disputes arising out of or in connection with this MoU shall be resolved amicably through mutual consultation.

9. Signatures

MEMORANDUM OF UNDERSTANDING (MOU)

This is an agreement between **Department of Electronic Science, MES ABASAHEB GARWARE COLLEGE (Autonomous), Karve Road, Pune**, hereafter called as AGC and **MES BAL SHIKSHAN MANDIR ENGLISH MEDIUM SCHOOL, Mayur Colony, Pune** hereafter called as EBSM

I. PURPOSE & SCOPE

The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate To ATAL TINKERING LAB ACTIVITIES CO-OPERATION.

In particular, this MOU is intended to:

- Increase Efficiency of ATAL in EBSM.
- Help EBSM students in various competitions related to ATAL.
- Help AGC Electronic Science students to gain practical, technical and real time experience.

II. BACKGROUND

MES ABASAHEB GARWARE COLLEGE (Autonomous), Pune and **MES BAL SHIKSHAN MANDIR ENGLISH MEDIUM SCHOOL, Pune** both belong to the same parent institute, Maharashtra Education Society. Established in the year 1860, the Maharashtra Education Society has been contributing to the field of education by providing education

from kindergarten to post-graduation. The various schools and colleges under MES always work hand-in-hand with each other.

With a vision to 'Cultivate one Million children in India as Neoteric Innovators', Atal Innovation Mission has established Atal Tinkering Laboratories (ATLs) in schools across India. The objective of this scheme is to foster curiosity, creativity, and imagination in young minds; and inculcate skills such as design mindset, computational thinking, adaptive learning, physical computing etc.

EBSM is the first school in the city to acquire Atal tinkering Lab.

Keeping this in mind, this MOU is designed between AGC and EBSM for the advancement of students especially with respect to Atal Tinkering Lab activities and **no cost involved any activity.**

III. MES ABASAHEB GARWARE COLLEGE - RESPONSIBILITIES UNDER THIS MOU

AGC should undertake the following activities:

- Assign Professors to help train teachers in EBSM regarding ATAL.
- Deliver a 2 hour Session for teachers once a month.
- Share content which will be useful to teachers and students of ATAL.
- Assign students from UG/PG department of Electronic Science to conduct 2 hour sessions for EBSM students on Saturdays.
- Assign students as mentors for EBSM students.
- Help EBSM students for ATAL related competitions.
- Guide and motivate EBSM students to participate, make working prototypes, use design thinking, etc

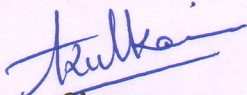

IV. MES BAL SHIKSHAN MANDIR EMS- RESPONSIBILITIES UNDER THIS MOU

- Provide all required resources from ATL for projects, guidance, etc.
- Provide infrastructure (class rooms, labs) and equipment (projector, laptop, etc) for conducting sessions

- Ensure full co-operation during sessions from teachers and students.

V. EFFECTIVE DATE AND SIGNATURE

This MOU shall be effective upon the signature of both Parties authorized officials. It shall be in force for the period of 5 years from the date of signing MOU.

Through its Principal Prof. (Dr.) Gautami Pawar age 59, Occupation - Service

And

Orchid Beauty International Academy and salon, being the beneficiary of this MOU having its campus at 88, Kulashree Apartments, Azadnagar, opposite Sutar Hospital, Kothrud, Pune- 411038, through its Proprietor firm established in year 2020.

Maharashtra Education Society's Abasaheb Garware College (AGC), established in August 1945, is one of the premier institute in and around Pune, imparting higher education in the field of Arts and Science. This institution is managed by the Maharashtra Education Society (M.E.S), a reputed Society working in the field of education for over a 160 years through various schools, colleges etc. AGC is affiliated to "Savitribai Phule University" (formerly known as "Pune University"). With its own distinct identity and tradition the, college has been the tower of learning for many generations. It has moulded the destiny of hundreds of people for a better tomorrow. The College has emerged as a leading centre for teaching, learning, and research in the field of higher education in faculty of Arts and Science.

Orchid Beauty International Academy and salon is in the business of beauty and wellness since 1993 and is also in the area of core entrepreneurship development.

In order to encourage the students for industry orientation in beauty and wellness and also to develop entrepreneurs through systematic training. MES's Abasaheb Garware College would like to extend industrial association with Orchid Academy and Salon. This symbiotic relationship will help students to bridge the gap between academic and industry, and also help students to upgrade and skill themselves with the valuable inputs from industry expert. The industrial association will be beneficial for the both the institutions and will help in shaping the future of many students.

Now this MOU witnesses as under:

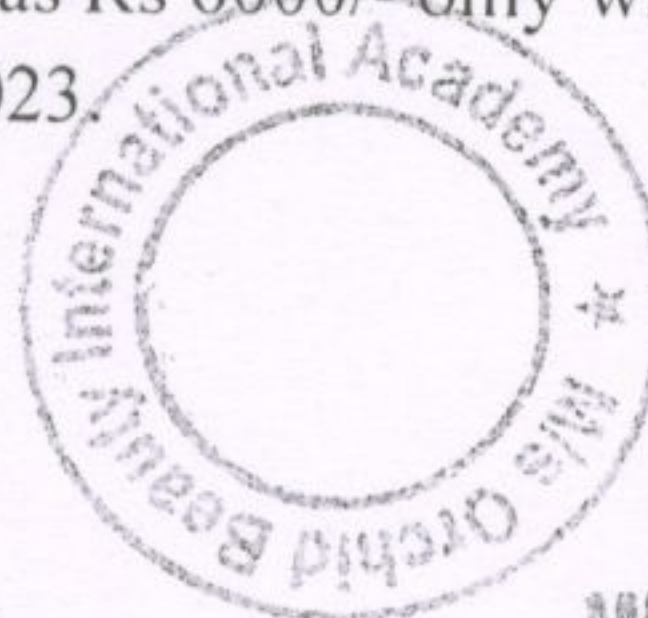

1. Scope of the MOU

- M.E.S. ABASAHEB GARWARE COLLEGE shall identify and depute one Dean / HOD as single point of contact from Orchid Academy and salon for further communication and activities.
- As per the rules of MES Abasaheb Garware College the industrial association with Orchid academy and Salon will be in the ratio of 40% to 60% respectively from the amount of fee collected.
- This MOU is assigned to render certificate course in "Personal Grooming and Beauty Care".
- Certificate course is of 2 Credits Class will be conducted 4 Horus per week for 2 months.
- Syllabus of certificate course will be designed in collaboration with internal faculty of Beauty wellness department of Abasaheb Garware College.
- Syllabus will contain equal portions of theory and practical components in it.
- Fees for the certificate course have been decided as Rs 6000/- only with an early bird discount of Rs 1000/- for the students registering before 30th January 2023.

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter referred to as the 'MOU') is entered into on this **20th day of December** month **2024**

(Date 20/12/2024),

by and between **EXCELR EDTECH PVT. LTD,**

(Hereinafter referred to as the 'First Party')

And

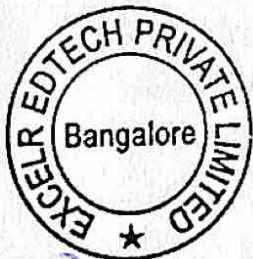

MES ABASAHEB GARWARE COLLEGE, PUNE

(Hereinafter referred to as the "Second Party",

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as the 'Party')

WHEREAS:

1. The First Party is an EdTech company: **EXCELR EDTECH PVT.LTD**, specializing in student and faculty development through training in emerging technologies.
2. Second Party is a Higher Education Institution: **MES ABASAHEB GARWARE COLLEGE, PUNE**
3. First Party & Second Party believe that collaboration will promote effective use of resources and create enhanced opportunities for both institutions.
4. The Parties intend to cooperate and focus their efforts within the areas of Skill-based training, Education, and Research.
5. Both Parties, being legal entities, desire to enter into this MoU to advance their mutual interests.

NOW, THEREFORE, in consideration of the mutual promises set forth in this MoU, the Parties hereby agree as follows:

CLAUSE 1: CO-OPERATION

1. **Communication Channels:** Both Parties will establish channels of communication to enhance collaboration and growth within their respective organizations.
2. **Training Delivery:** ExcelR will act as the training delivery partner for the Second Party on various trending technologies to be conducted as Student Orientation Sessions, Student Development Programs, Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format.
3. **Expert Faculty Utilization:** Cooperation will include the utilization of ExcelR's faculty expertise for the development of suitable training systems for students and employees of both organizations through Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format.
4. **Exploration of Additional Areas:** Both Parties agree to explore additional areas of cooperation that may be mutually beneficial.
5. The Parties shall cooperate and promptly enter into relevant agreements, deeds, and documents (hereinafter referred to as the "Definitive Documents") as may be required to give effect to this MoU.

CLAUSE 2: SCOPE OF THE MoU

1. **Curriculum Customization:** The First Party will offer valuable inputs to the Second Party to customize curricula, ensuring that students are prepared for the current industrial scenario.
2. **Teaching Methodology:** The First Party will provide strategic guidance and valuable inputs to develop teaching and training methodologies. The goal is to bridge the gap between academic learning and practical industry requirements, thereby enhancing students' employability in emerging fields.
3. **Training on Emerging Technologies:** The First Party will provide training to students and faculty of the Second Party on technologies such as Data Science, Data Analytics, Artificial Intelligence, Tableau, Python, etc to be conducted as Student Orientation Sessions, Student Development Programs, Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format or e-learning format

4. **Skill Development Programs:** The First Party will train students of the Second Party to bridge the skill gap and make them industry-ready to be conducted as Student Orientation Sessions, Student Development Programs, Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format or e-learning format.
5. **Guest Lectures:** The First Party will extend necessary support for delivering guest lectures on technology trends and industry requirements to be conducted once in every 6 months as Student Orientation Sessions in a Live Online format.
1. **Faculty Development Programs (FDP):** The First Party will train faculty members on industrial requirements, considering the National Occupational Standards where applicable to be conducted as Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format.
2. **Collaboration through National SDP, FDP:** The First Party will collaborate with the Second Party as Collaborating Academic Partners once in a year for providing training to students and faculty Nationally on technologies such as Data Science, Data Analytics, Artificial Intelligence, Tableau, Python, etc to be conducted as Student Development Programs, Faculty Development Programs through the National level Calendar events conducted as Everyday Learning Program (EDL) in a Live Online format or e-learning format. The First party will also see options for slots of collaboration with the Second Party for more than once in a year, subject to availability of free slots.

CLAUSE 3: FREE EVERYDAY LEARNING (EDL) INITIATIVE

The First Party will offer free training to students and faculty members of the Second Party under the **Free Everyday Learning (EDL) initiative**, which is aimed at empowering both groups by enhancing their skills and aligning them with industry standards.

The EDL initiative has two primary components:

1. **Student Development Program (SDP):** Focuses on equipping students with emerging technology skills, preparing them for the current job market.
2. **Faculty Development Program (FDP):** Upskills faculty members in pedagogy, research, and advanced technologies to help them align with industry needs and develop their students accordingly.
3. There is **no financial commitment from the Second Party** for enrolling students and faculty in the free training offered by the First Party under this initiative.
4. Upon written request, the First Party will provide training records and certificates to the Second Party for its students, subject to the discretion of the First Party.

www.excelr.com

5. If the Second Party seeks customized commercial training, a separate proposal document will be initiated with mutually agreed terms.

CLAUSE 4: INTELLECTUAL PROPERTY

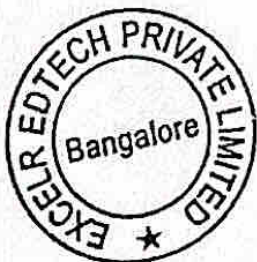

1. The First party will retain sole rights to the Curriculum and related content provided during the training, which may not be replicated or copied without its consent. However, the Second Party viz; AGC shall neither be held responsible nor liable for any violation, if any, by the students or faculty members in their individual capacity. The Second Party cannot control the actions of individuals and hence they shall not be liable for the same.
2. **Confidentiality:** Each Party will hold confidential any information disclosed during and after the term of this Agreement and will not disclose such information to third parties without prior consent unless required by law.

CLAUSE 5: VALIDITY

1. This MoU is valid for a period of two (2) years from the date of signing.
2. Learning Management System (LMS) access will be offered for 12 months. After one year, the usage of the LMS by the students will be reviewed, and for regular attendees, access to the LMS will be extended for an additional 365 days.
3. Either Party may terminate this agreement by providing 30 days' written notice. Upon such termination, this MoU shall lose its validity without any legal obligations or bindings on either Party.

CLAUSE 6: RELATIONSHIP BETWEEN THE PARTIES

1. Both Parties are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership.
2. Neither Party shall use the other Party's name or create any obligation or liability, expressed or implied, on behalf of the other Party without prior written consent.
3. Neither Party shall represent itself as having authority to make agreements, pledge credit, or extend credit on behalf of the other Party under the terms of this MoU.
